### Regulations

- Storage containers shall be utilized for temporary storage while loading and unloading of household items.
- On properties whose primary structure is identified as a single-family detached structure, townhouse or two-family dwelling structure, storage container may be placed only upon a residential driveway, or other similar hard surface, as defined in section 42-205.
- On properties whose primary structure is identified as anything other than a single-family detached structure, storage containers may be placed upon a parking lot constructed of a hard surface, provided that the placement of the storage container does not impede the flow of traffic.
- Storage containers may not be placed in any unimproved yards, publically owned right of ways, streets, alleys, sidewalks or other locations not specifically identified as acceptable within the provision of this section.
- Only one storage container shall be located on a property at a time.
- Storage containers on a residential property shall not exceed sixteen feet (16') in length.
- Storage containers shall be used to temporarily store personal property of a nontoxic and nonflammable nature.
- Storage containers shall not be utilized for the purpose of conducting a business or selling merchandise.
- Storage containers not in size compliance with the regulations provided in this section must be approved by the building department.

*\*Refer to ordinance # 19-10-20 for additional information\**
